

Alamo Chapter - Buick Club of America

JANUARY 2016 NEWSLETTER

DIRECTOR'S MESSAGE

Missing in Action – I am sorry I have been out of touch. My life has been unusually busy since April when I was hired as the CEO of Shreveport Federal Credit Union. The credit union was placed into conservatorship by federal regulators. My assignment was to develop a work out plan if the credit union could be saved. I worked 12 hours a day, 7 days a week with some weekend trips home. Even though I was unable to save the credit union, my work was very rewarding. Shreveport was consolidated with another credit union on October 1st, and I was glad to return home.

When I arrived home, Tracy had several projects needing my attention. We sold our house, purchased a new home, and moved before Thanksgiving. Our new address is:

3100 Herradura Drive
Cedar Park, Texas 78641

Next Meeting – Again, I apologize for dropping my responsibility to the Alamo Chapter. We have major issues to resolve – election of officers, dues decision for 2018, and plans for the fall regional meet – are at the top of our to-do list.

I made reservations for us at Pecan Street Brewing, 106 East Pecan Drive, Johnson City. Our reservations of on Saturday, February 3, 2018, at 11:30AM. See you there.
